DERMA FOAM HAND SANITIZER

NONFLAMMABLE HAND SANITIZER

DESCRIPTION

North Woods™ Derma Foam Hand Sanitizer is nonflammable so it's extra safe for nursing homes, schools, restaurants, grocery stores, and other high traffic public facilities. Its alcohol free formulation is safe to use - yet ultra efective! Kills 99.999% of germs and bacterian in 15 seconds. It contains the powerful germ killing ingredient Benzethonium Chloride USP to kill common germs that can cause colds, flu's, and other highly contagious diseases. Provides quick germ kill and evaporation for fresh, non-sticky hands. Perfect for any facility concerned about health & safety!
