ALL NATURAL DISH

DESCRIPTION

All Natural Dish is a high sudsing, long lasting, super concentrated hand dishwashing liquid made completely from all natural ingredients. Its thick, luxurious foam deep cleans tough soils while leaving dishes clean, streak, and spot free! No artificial color, dyes, fillers, or perfumes either. Only the finest natural cleaning agents derived from plant based surfactants, cornstarch, and real fruit extracts. Its unsurpassed cleaning power and grease cutting ability is derived from Mother Nature herself! BioRenewable resources, minerals, essential oils, and botanical extracts also combine in this synergistic formula to produce a dishwashing liquid that produces results never before seen – yet is unbelievably safe. All Natural Dish is chlorine, petroleum, and phosphate free.

All Natural Dish is scented with 100% natural essential oils and botanical extracts. Rapid biodegradation reduces impact on the environment and food chain. All organic cleaning ingredients in this formula are readily biodegradable per OECD Test 301D.
