BIG BITE

INDUSTRIAL STRENGTH CLEANER & DEGREASER

DESCRIPTION

Big Bite is a fast acting, high density, 100% active, foaming degreaser/cleaner that truly has a big bite. Easily removes tough oily, greasy and stubborn soils from a variety of washable surfaces. More than just an all purpose cleaner, Big Bite quickly penetrates and dissolves heavy soils into it's powerful foam. The fast breaking foam with powerful new surfactants clings to surfaces longer allowing the superior cleaning strength to virtually lift the soils away. Pleasantly scented with natural citrus fragrance.
