BUG OFF

PERSONAL INSECT REPELLENT

DESCRIPTION

Bug Off is an EPA registered, USDA authorized personal insect repellent. Contains DEET to repel mosquitoes, biting flies, chiggers, and ticks. Repels mosquitoes which may carry diseases such as West Nile virus, encephalitis and dengue. Unique valve system allows user to spray the product in any direction. Non-oily formula won't stain clothing.

USES / BENEFITS

- **Effective - contains DEET to provide complete protection from biting insects.**
- **Protects user from diseases carried by flying insects.**
- **Convenient**

PRECAUTIONS

Keep Out Of Reach Of Children

DIRECTIONS FOR USE

Remove protective cap, point spray valve in direction of arrow. Press valve button to spray. Hold can 6 to 8 inches from skin or clothing while spraying. With slow sweeping motion, slightly moisten surface. Saturation is not necessary. If use on face, spray on hands first and then spray sparingly and avoid the eyes. Do not spray directly onto face. Avoid contact with eyes or lips. Apply sparingly around ears. When using on children, apply to your own hands, and then put it on the child. Avoid over-application of this product.
