Technical Data

CARPET GLOSS

LOW FOAMING EXTRACTION CLEANER

DESCRIPTION

Carpet Gloss is a blend of detergents, specifically designed for steam or hot water extraction type carpet cleaning. Carpet Gloss will quickly cut through soil and grease, and brighten fiber instantly. Contains an odor counteractant to instantly eliminate odors at their source and leave the carpet fresh and clean smelling. Carpet Gloss rinses completely and leaves no residue. High dilutions make this product economical for use on many types of carpeting. Will not over-wet carpet and upholstery when used according to directions. Contains no phosphates, flammable solvents, harsh alkali or acids.

USES / BENEFITS

- **Brightens fibers instantly.**
- **Leaves carpets clean and fresh smelling.**
- **Economical**
- **Protects against resoiling.**

SPECIFICATIONS

Color Green
 Specific gravity 1.10
 pH 11.8 - 12.8

PRECAUTIONS

Keep out of reach of children.
 For industrial and institutional use only by trained personnel.
CAUTION: Do not take internally. Avoid contact with eyes. In case of contact, flush with water.

DIRECTIONS FOR USE

Because Carpet Gloss is highly concentrated only 1/2 ounce per gallon of water is needed to clean most carpeting. If carpet is very soiled, 1 ounce per gallon may be used. Cleaning solution may also be used as a pre-spray, sprayed directly onto the carpeting. Always vacuum carpet before cleaning.
