- air conditioner services
- auto & RV repair services
- No Rinsing Required
- One step cleaning, disinfecting and deodorizing action
- EPA Registered for HVAC applications

PRECAUTIONS

Keep out of childrens reach.

Label use directions should be followed carefully. Can cause eye and skin irritation.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To disinfect hard non-porous surfaces (such as HVAC catchpans and air conditioning evaporator coils), proceed as indicated below: (1) Shake can before using. (2) Hold six to eight inches from surface to be treated, (3) Spray area until it is covered with a white foam. Allow foam to penetrate and remain wet for 10 minutes. No scrubbing necessary. (4) Allow to self rinse.

MILDEWSTAT: To control mold and mildew on pre-cleaned, hard, non-porous surfaces (such as floors, walls, table tops) spray surfaces to be treated, making sure to wet completely. Let air dry. Repeat application at weekly intervals or when mildew growth reappears.
