THE RIGHT STUFF SOAP SYSTEM™

FACTORY STUFF

ANTIBACTERIAL PROTECTION FOR THE WORKPLACE

DESCRIPTION

Factory Stuff is a " High Energy " proprietary formulation to remove todays soils -- with tomorrow's safe cleaners. Antibacterial for instant protection against dermatitis and cross infection. Factory Stuff leaves the skin and hands feeling clean and refreshed. Skin conditioners and moisturizers re-fortify skin after every washing. Hands feel clean, smooth, and healthy.

This lime PCMX formulation with extra power was designed for use wherever a heavy duty hand cleaner is needed without pumice. It also rinses off easily. It is terrific in any work place environment. Environmentally safe and user friendly. Exceeds OSHA requirements.

USE FACTORY STUFF IN:

- Printing Plants
- Chemical Plants
- Trucking Industry
- Utilities
- Refineries
- Service Stations
- Steel Mills
- Paper Mills
- Industries
- Food Processing

USES / BENEFITS

- Effective:** Removes soils fast leaving hands thoroughly clean.
- Gentle:** Moisturizers replace natures skin softeners.
- Antibacterial:** Inhibits bacteria stops dermatitis.
- Economical:** Eliminates the need for several soaps and powders. This product handles all!

Rinses freely to give hands a clean refreshed feeling.

PRECAUTIONS

Keep Out Of Childrens Reach. If swallowed, do not induce vomiting. Get medical attention. Contact with eyes causes irritation. Flush for 15 minutes.
