Technical Data HANDS UP

LOTIONIZED HAND CLEANER WITH SKIN EMOLLIENTS

This lotion hand cleaner, made from the mildest synthetic detergents, makes soap-type hand cleaners obsolete. Pleasantly perfumed, it quickly removes dirt and grease and leaves the skin soft. It is particularly suited for the removal of industrial irritants such as chemicals, solvents, oils, greases and salts. Great for use in factories, hospitals, nursing homes and offices. Economical, its high concentration goes a long way.

USES / BENEFITS

- Cleanses skin while removing soil and then rinses completely, leaving hands feeling fresh and clean.
- Exclusive emollient blend of cosmetic grade neutral detergents leaves skin soft.
- Ideal for the entire body including hair.
- pH balanced formula is perfect for use at the sink or in the shower.
