Technical Data

ICY CLEAN

PENETRATING FREEZER CLEANER

DESCRIPTION

Icy Clean's unique formulation was specially designed for cleaning frozen food and cold storage areas where conventional products fail. Its rapid acting, highly efficient cleaner/degreaser. Diluted properly according to freezer temperature - it will not freeze, even down as low as minus 45°F.

Icy Clean's powerful emulsifiers penetrate, dissolves and suspends dirt, grime, fats and grease while freezer equipment is still operating. Safe for cleaning concrete floors, quarry tile, ceramic and even metal surfaces.

- 45°F ~ Full Strength
- 29°F ~ 3 Parts Freezer Cleaner : 1 part water
- 8°F ~ 2 parts Freezer Cleaner : 1 part water
- 7°F ~ 1 parts Freezer Cleaner : 1 part water

USES / BENEFITS

- Effective to -45°F
- Non Flammable
- No alcohols
- Low odor
- Rapid penetrating formula
- Cleans heavily soiled freezers effectively
- Excellent for auto scrubber

SPECIFICATIONS

Color Blue
 Specific Gravity 1.1
 pH 11.9

DIRECTIONS FOR USE

Best when used with an automatic scrubber and nylon brushes, but can be used manually. Apply product to floor with squeegee up and scrub thoroughly. (For best results on heavily soiled areas - allow to penetrate soiled area for 5 minutes.) Then scrub again with squeegee down.

For use manually, apply liberally and agitate immediately with brush or scrubbing pad. Allow to work 5 minutes. Re-scrub and pick up with mop or absorbent sponge.

PRECAUTIONS

CAUTION: Keep out of reach of children. Material Safety Data Sheet available.
