# Technical Data

# LIQUID ERASER

NONTOXIC ENVIRONMENTALLY SAFE VANDAL SOLUTION

## DESCRIPTION

Liquid Eraser is the latest in North Woods™ technological breakthroughs designed to safely remove unwanted inks, spray paints, and marks commonly caused by 21st century vandals - while promoting user safety. The fresh lemon fragrance of its nontoxic, biodegradable formula replaces the overpowering, harmful fumes of the chlorinated solvents, acetone, and toluene which are commonly used in similar products. Liquid Eraser gently lifts these undesirable designs from virtually any hard surface and is truly a pleasure to use. Non-flammable.

## USES / BENEFITS

### Safely removes:

- ink
- graffiti
- spray paint
- permanent marker
- dye
- ball point
- adhesive
- tough printer inks

## DIRECTIONS FOR

SHAKE WELL BEFORE USING. Lightly mist Liquid Eraser onto rag or surface. Gently wipe off. For best results rinse surface with water. For porous surfaces agitate with brush after application - rinse.

NOTE: Pretest before using. While Liquid Eraser is extremely safe - it may soften certain plastics and remove some desirable paints. Before using - pretest questionable surfaces in an inconspicuous area.

## SPECIFICATIONS

Color .....Milky White  
 Fragrance ..... lemon  
 Toxicity ..... Non-Toxic
