

Environmental Health & Sanitation Chemicals

Technical Data

RAIN FOREST

ENVIRONMENTALLY SAFE AIR FRESHENER

DESCRIPTION

Rain Forest Environmentally Safe Air Freshener quickly eliminates smoke and other offensive odors from the air. Its natural botanical powers quickly neutralize malodors leaving a fragrant aroma that tantalizes the senses. Rain Forest is the latest breakthrough in "alternative" room and air freshening products. Its environmentally safe formula contains no CFC's or other ozone depleting substances and its low VOC formulation meets Federal emission standards. Use it daily to put a little JUNGLE into your facility!
