USES / BENEFITS

- Cleans tough surfaces, while imparting a fresh fragrance
- Ready-to-use formula helps end users meet OSHA requirements for labeling of containers.
- Convenient - no mixing required.
- The Powerful foaming action of this product provides great "hang time," making vertical surface cleaning a snap.
- Cleans and deodorizes with a blend of detergents & dual quaternary compounds
- Fantastic acid-free shower cleaner!

PRECAUTIONS

Keep Out Of Reach Of Children.

Read label carefully prior to use. **WARNING:** Causes eye and skin irritation. Harmful if swallowed. For industrial and institutional use only by trained personnel.

DIRECTIONS FOR USE

Cleaning and Deodorizing: To clean, and deodorize hard, non-porous surfaces such as bathroom tiles, fixtures, shower stalls, walls, sinks and bathtubs, proceed as indicated below:

1. Spray area until it is covered with the solution. Allow the product to penetrate. No scrubbing necessary.
2. Wipe off with a clean cloth, mop, or sponge. Let air dry. Repeat application at weekly intervals or when necessary.
