# Technical Data

# SPOT GONE

EARTH & USER FRIENDLY SPOT REMOVER

## DESCRIPTION

Approved by the Carpet and Rug Institute! Spot Gone is a formulation of proper cleaning and lifting ingredients that simply shocks the end user with results. Non-flammable, pleasant fragrance and free from all chlorinated solvents. Spot Gone removes the most difficult stains with ease.

This product immediately attacks and suspends old and new spots, oils, fats, creams, makeup, lipstick, face creams, chocolate, liquor, coffee, grass, inks, shoe polish and the list is endless. Excellent for spot

## USES / BENEFITS

- **Powerful formulation quickly unlocks all soil types from carpet fibers.**
- **Versatile means perfect spot remover for carpet, rugs and upholstery. Use only on water safe fabrics.**
- **Excellent pre-spotter for traffic lanes prior to carpet cleaning.**

## DIRECTIONS FOR USE

For greases, face creams and thicker soils, remove excess or scrape off deposits. Apply Spot Gone at room temperature and work in lightly with spotter brush or other small brush. **DON'T SCRUB!** Towel off with clean dry turkish type towel.

Use directly from quart with flip top allowing generous portion of product to penetrate soils.

Careful on wool carpets. Always test in inconspicuous place first.

Complete directions on each quart will bring fantastic -- cleaning results.

## PRECAUTIONS

**Keep Out Of Childrens Reach**
