## SUNNY AIR

DRY AIR FRESHENER

### DESCRIPTION

Sunny Air dry air neutralizer quickly freshens the air & textiles by destroying foul odors using the natural refreshing qualities of tropical plants. Freshen entire rooms, laundry hampers, chutes, drapes, bedding items in motels, smoking areas, garbage areas, sport shoes, locker areas, health facilities, gyms, etc. Eliminates smoke odors from all areas. Sunny Air was formulated to get rid of odors fast and completely without the wet residue of regular air freshener type products. Its state of the art formulation complies with federal V.O.C. standards. Use Sunny Air daily to enhance your facility. Let Sunny Air - Put a smile on your facility's face!

### USES / BENEFITS

- Motels & Hotels
- Schools
- Hospitals
- Nursing Homes
- Animal Hospitals
- Doctors' Offices
- Industry
- Apartments
- Offices

### DIRECTIONS FOR USE

Shake well. For use as an air freshener, hold container upright at arm's length and spray to center of room. Spray entire area to be treated. For use as a surface deoderizer for textiles, spray directly on to surface holding can 12-14 inches away. Spray evenly over entire surface. When spraying on surfaces that can be affected by water, always test in a inconspicuous area first.

### SPECIFICATIONS

Appearance ..... White Liquid  
 Fragrance ..... Orange Scent

### PRECAUTIONS

**Safety:** Despite the ultra-safe nature of this product - all cleaning products should be kept out of the reach of children.

**Caution:** Do not spray in eyes, towards face, or close to skin. Keep fingers away from nozzle opening while spraying. Do not puncture or incinerate container. Do not store at temperatures above 120°F. Prolonged exposure to heat or sunlight may cause bursting.
