DESCRIPTION

Swipes stands for super wipes. That's actually what these organic detergent fortified towels are they're SUPER WIPES! We've taken an innovative blend of organic solvents, biodegradable detergents, emollients and married them to a special textile that has one smooth side and one textured The end result is a convenient, fast cleaning, self contained, ultra-user friendly disposable wipe! Swipes unique formula quickly penetrates, dissolves, and safely removes grease and grime while conditioning your skin with a unique blend of emollients and essential oils. They clean most inks, paints, adhesives, tar, resins, and other tough soil from working hands safely and effectively without water. Pleasantly scented, Swipes are the ultimate hand cleaning system for busy people on the "go". If great cleaning capabilities,

convenience, portability, and clean soft hands are important to you -

you need Swipes!

DIRECTIONS FOR USE

DIRECTIONS FOR DISPENSING

Remove lid. Pull towel from center of roll, thread through the "X" hole in underside of lid. Pull towel through approximately one inch. Replace lid. Pull out first towel and snap off at 90° angle. Towels will feed automatically thereafter. Note: Always reseal hinged cap after each use to ensure freshness.

DIRECTIONS FOR USE

Open hinged cap. Snap off Swipes at 90° angle. Rub skin until all soil is removed. Work well into crevices on knuckles and fingernails using textured side for tough spots. Discard towel after use and rub hands together to thoroughly dry and condition.
