Technical Data

AQUA FORCE

AQUEOUS SURFACTANT CLEANER

DESCRIPTION

This revolutionary low foaming degreaser utilizes a special blend of aqueous surfactants to quickly remove heavy grease, oils, carbon deposits, and other stubborn soils from concrete floors and other surfaces. It's USDA authorized, low foam, non-flammable formulation cuts through tough rubber tire marks without prespray or special agitation. It's unique cleaning properties do a fantastic job of removing tough soils while never leaving any film behind.

It's perfect for use in any type of automatic scrubber, yet works equally well manually with a mop and bucket. Aqua Force is the product of choice for industrial cleaning where an environmentally safe product that **WORKS** is needed!

FOR INDUSTRIAL USE ONLY

WHERE TO USE:

- Automatic Floor Scrubbers
- Mop Buckets
- Concrete Floors
- Factories
- Manufacturing Plants
- Food Plants
- Automobile Dealerships
- Sprayers - Equipment
- General Cleaning

BENEFITS

- Quickly cuts through grease, oil, carbon and other tough soil
- Removes stubborn tire marks
- Very low foaming
- Requires no prespray
- Leaves no hazy film on floors
- No fumes or obnoxious odors
- Aqueous biodegradable surfactants clean like solvent with no hazards
- No phosphates, butyl, glycol ether, caustics, or solvents
- Aluminum safe
- Built in rust inhibitors
- Non-flammable
- No SARA ingredients
- USDA Authorized A-4
- BIODEGRADABLE
- CONTAINS NO VOC's

SPECIFICATIONS

Color	Blue
Fragrance	Lt. Citrus
pH	12.5
Foam	Very low
Flash Point	None
Fumes	None
Emulsification	Excellent
Biodegradability	Complete

DIRECTIONS FOR USE

Automatic Scrubbers: Always fill solution tank with appropriate amount of water first, then add Aqua Force to desired dilution. Follow dilutions according to soil level. **Mop & Bucket Cleaning:** Follow dilutions according to soil levels. To maximize cleaning results, apply diluted solution onto intended surface and allow product to "work" 1 to 3 minutes. Agitate, and pick up.

DILUTE AS FOLLOWS WITH WATER:

- Light Soil 2oz. per gallon
- Normal Soil.....4oz. per gallon
- Moderate Soil 8oz. per gallon
- Heavy Soil 13oz. per gallon
- Ex. Heavy Soil .. 26oz. per gallon

PRECAUTIONS

Keep out of childrens reach!

CAUTION: Contains alkaline detergents. Product may cause eye irritation. Avoid contact with skin and eyes.

FIRST AID: In case of contact, flush eyes and skin with water. Remove contaminated clothing. If inhaled, get to fresh air. If swallowed, do not induce vomiting. Drink large quantity of water. Get medical attention.
