Technical Data

BRIGHT

HIGH PERFORMANCE BLOCK CLEANER & WHITENER

DESCRIPTION

Bright High Performance Block Cleaner & Whitener was specially formulated to remove tough stains from food processing and cutting surfaces. Its unique synergistic blend of detergents, wetting agents, and stable chlorine penetrates deep into the pores of the affected surface. Once there, its high pH level releases the maximum power of the stain fighting chlorine!

Bright attacks blood, grease, fat and protein deposits from cutting boards and other food surfaces like no other product can.

USES / BENEFITS

- **Penetrates deep into boards**
- **Unlocks trapped soil**
- **Whitens boards**
- **Restores to usable condition**
- **Works fast**
- **Easy to use**

SPECIFICATIONS

Appearance Liquid
 pH 12.2 - 13.2
 Fragrance Chlorine
 Freeze/Thaw Stability OK 3 cycles

DIRECTIONS FOR USE

1. Remove all gross food residue from surface.
2. Rinse surface completely.
3. Pour or spray undiluted product over surfaces to be whitened.
4. Allow to soak for 5 to 10 minutes, then scrub surface with a nylon brush.
5. Rinse completely with clear water.
6. If stains are still present, repeat process.

PRECAUTIONS

Keep out of reach of children.
