Technical Data

CITRA FRESH

GEL AIR FRESHENER

DESCRIPTION

Citra Fresh is a revolutionary new way of ending problem odors! Its special blend of long lasting, gelled natural essential oils counteracts tough malodors in virtually any environment. Uniquely formulated to spray out as an air soluble gel, it clings to vertical and horizontal surfaces to freshen air in a multitude of applications. Citra Fresh excels when applied to the under side of sinks in restrooms, behind toilets, above doors, in trash receptacles, dumpsters, on walls, in port-a-toilets, above ceiling fans, on air conditioner filters, and in storage closets. It's ideal for use on hard, non-porous surfaces in automobiles, homes, laundry rooms, pet areas, hotels, schools, municipalities, hospitals, and nursing homes. Typically untreatable areas can now receive fragranced odor counteractant treatment that lasts over an extended period of time. Use Citra Fresh anywhere a fantastic fragrance burst is needed.

USES / BENEFITS

- Counteracts Malodors
- Great Fragrance
- Clinging Formulation
- Long Lasting
- Natural Essential Oils
- Biodegradable

DIRECTIONS FOR USE

Shake well. Point towards area to be treated. Spray in a slow sweeping motion approximately 10-12" from surface. Product will continuously release pleasant fragrance and will totally evaporate over time. Reapply after product dissipates or when more odor control is desired.
