## CITRAZYME

ENZYMATIC CITRUS SOLVENT PRE-SPOTTER

### DESCRIPTION

CITRAZYME enzymatic citrus solvent pre-spotter is specially formulated for all commercial and industrial laundry applications. CITRAZYME enzymatic citrus solvent pre-spotter provides superior stain removal, eliminating oil, grease, dirt, make-up, and other tough laundry stains. CITRAZYME contains emulsifiers for oil, grease and other soil stains. CITRAZYME is formulated with unique enzymes and soil penetrating agents to assure the complete removal of greasy stains.

### USES / BENEFITS

- Ready to use formulation
- Saves Time, Saves Money
- Biodegradable
- Contains citrus solvents
- Fresh fragrance
- Natural, enzyme formula
- Cuts tough greasy soil
- Removes waterproof makeup
- No mess, no fuss
- Protects your investment
- Penetrates & breaks up stains
- Excels where other spotters fall short

### DIRECTIONS FOR USE

This unique product is formulated to be utilized as part of a complete laundry system. Used properly, in conjunction with the rest of a North Woods® laundry program, through automated injector equipment - will assure fantastic results at the lowest possible use cost.

As a spotter for removing heavy stains or spots, spray or otherwise saturate the entire spot with CITRAZYME. Allow to stand for at least 15 to 20 minutes, then proceed to wash in normal fashion. Stubborn stains may require hand scrubbing using a bristle brush.
