

Environmental Health & Sanitation Chemicals

# EVER GREEN™ STRIPPER

## DESCRIPTION

North Woods® Ever Green Floor Stripper is specially designed to effectively remove Ever Green Floor Finish and other “non-zinc” crosslinked floor finishes. This low odor, no-rinse formula is easy to work with and is perfect for use in all types of facilities including healthcare, retail and education.

This product is part of North Woods® Ever Green program. North Woods® Ever Green products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance. Please dispose of this product and waste generated from this product in accordance with all applicable local, state, and Federal regulations.

Ever Green Floor Stripper meets or exceeds nationally accepted green standards for floor care products - based on its reduced levels of volatile organic compounds, biodegradability, and ultra low toxicity.

## USES / BENEFITS

### ENVIRONMENTAL BENEFITS:

- No 2-Butoxyethanol
- No environmentally toxic preservatives.
- No alkyl phenol ethoxylate.
- No added fragrance.
- No added dyes.
- Low environmental impact packaging.
- No ammonia.
- No inorganic builders.
- No caustic.

### PERFORMANCE BENEFITS:

- Rinse free formula
- Low foaming
- Low odor.

## DIRECTIONS FOR USE

Read the entire label before using this product. Recommended for removing Ever Green Floor Finish.

1. Dilute (1:4) 32 oz./gal. or 250 mL/L with cold water.
2. Apply solution liberally with mop.
3. Allow 4 - 5 minutes contact time. Be sure to keep surface wet at all times. Agitate with a low-speed rotary machine or automatic scrubber (using a stripping pad or brushes).
4. Pick up solution using a wet vacuum or automatic scrubber and rinse thoroughly.
5. Allow floor to dry completely.
6. Please dispose of this product and waste generated from this product in accordance with all applicable local, state, and Federal regulations.

## PRECAUTIONS

Keep Out Of Reach Of Children

## SPECIFICATIONS
