

*Superior Chemical's New and Improved North Woods™ Grease Buster Pink Cube is better than ever! Now with 100% active ingredient the North Woods™ Grease Buster Pink Cube, does not contain inert fillers like other blocks on the market.*

The North Woods™ Grease Buster Pink Cube contains our all natural unique growth enhancers and bio-stimulants to give the bacteria unsurpassed nutrient support and growth capabilities.

Our North Woods™ Grease Buster Pink Cube, formulated for increased water temperature, degrades slowly over a 4 to 5 week period depending on flow rate. There is no need for numerous trips to manholes or wet wells for manual dosing & no expensive metering pumps & equipment to buy. If used on a continuous basis, the

North Woods™ Grease Buster Pink Cube reduces grease build-up, malodors & equipment failures *due to grease build-up*. Simply suspend the North Woods™ Grease Buster Pink Cube in the area to be treated and replace as needed.

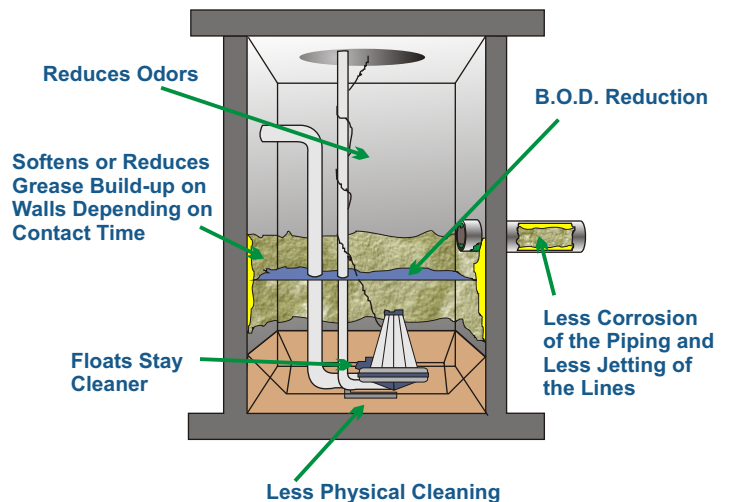

**STORAGE:** store in cool dry place, Avoid contact with strong acids.

**PRECAUTIONS:** Do not ingest or take internally. Avoid skin contact. Wear protective gloves and wash thoroughly after handling.

**SLOW RELEASE**  
Disperses bacterial  
product as it dissolves!

**Benefits:**

- Keep drain lines clean
- Reduce grease build-up headaches
- Prevent emergency blockages
- Save on line jetting
- Lower grease disposal costs
- Reduce or eliminate odors
- Last longer in hot water flow
