GREASE GOBBLER

MICROBIAL FLOOR CLEANING & DEGREASING AQUA PACKS

DESCRIPTION

North Woods™ Grease Gobbler is the latest breakthrough in environmentally safe products designed to combat greasy, slippery floors. This phenomenal formulation utilizes a synergistic blend of organic compounds and enzymes that excel at not only liquefying grease and oil - but in actually digesting and saponifying soils to keep them from redepositing on floors! Grease Gobbler deep cleans floors and mops like never before through its continuous microbial digestive action. As long as there's a food source - it keeps working! 60-90 day usage will actually increase the slip coefficient of floors to help prevent slip fall accidents and improve grout line cleanliness!

Grease Gobbler is super concentrated to save you money. It's ultra low cost in use is made even more economical through its self-proportioning use of an innovative Aqua Pack.

USES / BENEFITS

- Super Concentrated
- Nonacid, Noncorrosive, Nonalkaline
- Deep Cleans Floors
- Extends Mop Life
- Eliminates Odors
- Dissolves Grease & Oil
- Waste Water Cleans Drains
- Extremely Economical
- Cleans Grouting
- Neutral pH
- Self-Proportioning
- Natural Microbial Action
- Reduces Slip Fall Accidents

SPECIFICATIONS

Fragrance Perfumed
Color Light Blue

DIRECTIONS FOR USE

DO NOT TEAR OR CUT OPEN AQUA PACKS. Aqua Packs will self-dissolve. Simply place one Grease Gobbler Aqua Pack into empty bucket or scrubber for every 4 gallons of water. Fill to desired level with warm water. Agitate solution after filling to dispense formulation adequately. For best results - apply fresh diluted Grease Gobbler solution onto floor, allow penetration time, agitate with mop or brushes, and pick up solution. Clean, grease free floors made simple!

PRECAUTIONS

Keep Out Of The Reach Of Children. Do not use on food contact surfaces. Avoid contact with eyes and open sores. If contact occurs - flush with water thoroughly. Do not ingest. If ingestion occurs - consume large amounts of water. Contact a physician in case of any irritation. See MSDS for further details.
