# Technical Data

## GRIZZLY BEAR

ECONOMY BUTYL DEGREASER

### DESCRIPTION

This product takes over where all purpose cleaners leave off. Designed for tough jobs, it instantly dissolves and emulsifies heavy grease, carbon deposits, rubber burns, soap scum, oxidized waxes, oil, ink, and dirt accumulations. Just spray or mop on and rinse off. Its low sudsing action makes it perfect for automatic scrubbers or pressure washers. Can be used for everything from light floor cleaning to heavy duty machinery cleaning. The uses for this product are endless.

### SPECIFICATIONS

Fragrance .....	Cherry
Color .....	Purple
Detergency .....	Excellent
Foaming .....	Low
Wetting .....	Very good
Biodegradability .....	Complete
Emulsification .....	Excellent
Shelf Life .....	2 year min.
Solubility in water .....	Complete
Rinsability .....	Very good
Viscosity .....	10 cps.
Density .....	1.068
Flash Point .....	None
pH .....	13.0
Fumes .....	None

### USES / BENEFITS

- Heavy duty, fast, very effective
- Economical - highly concentrated
- Low foam-free rinsing
- Remove heavy grease deposits
- Lifts baked on carbon deposits
- Kitchens
- Non-flammable non-corrosive, biodegradable
- No harsh acids or solvents
- Works well in hard or soft water
- Floors
- Motors
- Walls
- Tools
- Offices
- Concrete
- Schools
- Steel
- Plastics
- Factories
- Showers
- Trucks
- Garages
- Machinery
- Aircraft
- Restaurants
- Rubber

### DIRECTIONS FOR USE

DILUTE WITH WATER: Floors, Walls, General Maintenance:

- Light soil ..... 1 to 30
- Medium soil ..... 1 to 10
- Heavy soil ..... 1 to 5
- Kitchens, Engines, Machinery, Concrete, Swimming Pools, Showers, White Side Wall Tires ..... 1 to 10
- Painted surfaces ..... never less than 1 to 10
- Windows, Mirrors, Files ..... 1 to 50

These directions are flexible rather than specific. In many cases a more dilute solution can be used, for extreme conditions a less dilute solution may be needed.

### PRECAUTIONS

Keep out of reach of children. For industrial and institutional use only. Contains alkaline silicates. May be harmful if swallowed. May cause eye or skin irritation. External: Flood with water and wash with vinegar. Internal: Give juice of lemon, grapefruit, or orange freely, follow with olive oil. Eyes: Wash with 5% Boric Acid solution. If irritation persists, call physician.
