Environmental Health & Sanitation Chemicals

Technical Data

LEMON LITE

MULTI SURFACE CLEANER / POLISH

DESCRIPTION

A new generation aerosol for dusting, cleaning, and shining most surfaces. Quick breaking foam formulation contains no silicones or waxes thereby eliminating any surface buildup.

Features a soak in formulation that restores life and brilliance to all wood surfaces. Excellent on laminated plastics, blinds, file cabinets, appliances, and paneling. Features a 360° spray anyway valve system.

Clings to vertical surfaces reducing labor cost and product over use. Excellent residual shine on porous surfaces.

Contains no chlorinated solvents.

USES / BENEFITS

Dusts, cleans and shines in one low effort operation. The high cost of labor, is reduced by 50% in this one operation product. Contains no silicones or wax, and its patented formula provides fantastic results with no buildup. Pleasant citrus fragrance lingers for hours.

Can be discharged in upright, vertical or horizontal position.

SPECIFICATIONS

pH	N / A
Odor	Citrus
