# Technical Data

# LIFT OFF

FOAMING OVEN & GRILL CLEANER

## DESCRIPTION

A ready to use foam that clings to vertical surfaces, works equally well on hot or cold ovens and removes the most stubborn grease and carbon deposits from cooking and baking surfaces. Three times faster and more efficient than leading aerosols. Gets its great fragrance from natural extracts from lemon and orange peels.

## SPECIFICATIONS

Color ..... amber  
 pH ..... 13+  
 Fragrance ..... Citrus

## USES / BENEFITS

**LIFT OFF is excellent to use for cleaning:**

- ovens
- grills
- food cooking equipment
- food smoking equipment

## PRECAUTIONS

**Keep Out Of Reach Of Children.**

Harmful or fatal if swallowed. Corrosive to all body tissues. Avoid contact by wearing skin and eye protection when using the product.

## DIRECTIONS FOR USE

1. Remove encrustations and loose organic matter by scraping.
2. Spray product onto soiled surfaces of ovens, grills, food cooking and smoking equipment. Recommended for use on ferrous metals only. Not safe for use on aluminum or other soft metal surfaces.
3. Allow foam to contact surfaces for 15 minutes or until cleaner has penetrated, loosened, emulsified and dissolved stubborn soils.
4. Wipe off thoroughly.
5. Rinse thoroughly with potable water.
6. For heavy build up, scraping and an additional application may be required.

**NOTE:** Wear rubber gloves and goggles when using this product. Recommended for use only on iron, stainless steel, ceramic and porcelain enamel. Do not use on aluminum, soft metals and other surfaces damaged or etched by alkaline hydroxides.
