# WATERHOG™ *classic* diamond *fashion* diamond

Waterhog Classic Diamond

Waterhog Fashion Diamond

## FEATURES & BENEFITS

- Durable 24 oz./yd. Dual Denier face construction for maximum performance.
- Unique ridged construction effectively removes and holds dirt & moisture below shoe level.
- Waterhog Fashion Diamond comes with a designer fabric border and Waterhog Classic Diamond comes with a commercial rubber border.
- Exclusive rubber-reinforced face pattern prevents pile from crushing, extending performance life.
- 100% premium solution-dyed polypropylene fiber system will not fade or rot.
- Available with Tri-Grip™ cleated rubber back to minimize movement on most carpets or flat backing to improve traction on hard surfaces.
- Exclusive "Water Dam" border allows the Waterhog™ to trap dirt and water.
- Cleans easy! Dries fast! Anti-static!
- 18 fashionable colors and a large selection of sizes.
