PET MASTER

CARPET & UPHOLSTERY CLEANER AND DEODORIZER

DESCRIPTION

We know your family member requires TLC, that is why we formulated Pet Master! North Woods® Pet Master is a natural-based, high power cleaner and deodorizer developed especially to digest and remove pet stains. It is a unique combination of enzymes, safe bacteria, and biodegradable cleaners that rapidly begins to assimilate proteins and odors found in pet accidents. As it begins to digest and loosen stubborn surface soil for efficient cleaning, it also consumes the odors so hopefully the "marking post" is eradicated to prevent further accidents. Pet Master penetrates deep into carpet or upholstery fibers and breaks down organic residue eliminating stains and odors at their source. It works great alone, or for even tougher stains, combine it with our Traffic Master Extraction Shampoo! Pet Master is nontoxic, biodegradable, and smells great!

USES / BENEFITS

- **Inverted Action Valve**
- **Non-Flammable Spray**
- **Non-Toxic**
- **Non-Hazardous**
- **Non-Polluting**
- **All Natural Cleaning Ingredients**

REMOVES SOILS & ODORS CAUSED BY:

- **Pets**
- **Foods**
- **Body Oils**
- **Bacteria**
- **Cigarettes**
- **Cigars**

PRECAUTIONS

Keep out of childrens reach.

Label use directions should be followed carefully. Can cause eye and skin irritation.

DIRECTIONS FOR USE

Shake can. Blot urine and/or remove as much surface material as possible. Invert and spray surface thoroughly until foam mounds. Allow foam to penetrate stain completely. Apply second application when foam disappears. Remove stain with damp sponge or cloth working towards center of stain. For stubborn stains, complete process again. For severe organic stains and odors, cover the treated area with a damp towel. Keeping the area moist will allow enzymes to continue working longer.

EXCELLENCE SINCE 1964

Finally A Product Made Just For Pets!
Safely Removes Stains and Odors Caused by Pet Mishaps

WE LOVE PETS!
