## POWER CRYSTALS

CITRUS DRAIN OPENER

### DESCRIPTION

Power Crystals is a synergistic blend of sodium hydroxide, citrus peel extracts, and other proprietary ingredients designed to totally dissolve drain clogs. Its unique "crystal" formula allows it to concentrate and attach itself to the actual clog making it ultra-effective at breaking down and liquifying the undesirable material.

Power Crystals fast dissolving formula is ideal for clogged or slow running drains. Plus, there's never any harsh fumes or rotten egg odors associated with most drain opening products. As a matter of fact, Power Crystals pleasant citrus fragrance totally refreshes drains and surrounding areas.

Power Crystals, used properly, is a safe product. It has all the drain opening strength of sulfuric acids, yet is much safer than sulfuric acids. Power Crystals is safe for septic tanks too. Its economical, pleasant fragranced, easy to use crystals almost make drain opening a pleasure - almost!

### USES / BENEFITS

- **Biodegradable**
- **Economical**
- **Fast acting**
- **Fresh citrus fragrance**
- **Easy to use formula**
- **Eliminates uratic salts**
- **Dissolves grease - hair - lint.**
