REFRESH

GEL AIR FRESHENER

DESCRIPTION

Refresh is a revolutionary new way of ending problem odors! Its special blend of long lasting, jelled natural essential oils - counteract tough malodors in virtually any environment. Uniquely formulated to spray out as an air soluble gel, it clings to vertical and horizontal surfaces to freshen air in a multitude of applications. Refresh excels when applied to the under side of sinks in restrooms, behind toilets, above doors, in trash receptacles, dumpsters, on walls, in port-a-toilets, above ceiling fans, on air conditioner filters, and in storage closets. It's ideal for use on hard, non-porous surfaces in automobiles, homes, laundry rooms, pet areas, hotels, schools, municipalities, hospitals, and nursing homes. Typically untreatable areas can now receive fragranced odor counteractant treatment that lasts over an extended period of time. Use Refresh anywhere a fantastic fragrance burst is needed!

USES / BENEFITS

- **Counteracts Malodors**
- **Great Fragrance**
- **Clinging Formulation**
- **Long Lasting**
- **Natural Essential Oils**
- **Biodegradable**

DIRECTIONS FOR USE

Shake well before using. Hold can upright and spray in a slow sweeping motion 10 to 12 inches from surface to be treated. Refresh will continuously release fragrance, totally evaporating over time. Reapply as necessary.

PRECAUTIONS

Keep Out Of Childrens Reach. Contents under pressure. Do not puncture or incinerate. Do not store at temperatures exceeding 120°F maximum, or near heat, or in direct sunlight.

SPECIFICATIONS
