Technical Data

Sani Mousse

ENRICHED FOAMING HAND SANITIZER

DESCRIPTION

Sani Mousse is the latest offering by North Woods® in the war against infectious germs and bacteria. This premium foaming aerosol hand sanitizer excels at reducing germs and bacteria when soap and water is not available, nor practical. Totally portable, its luxurious mousse formulation removes soil while reducing harmful bacterial skin flora. Its hypoallergenic formulation is more effective than liquid hand sanitizers. With its ability to soften, condition, and soothe - skin is left feeling totally refreshed and moisturized. Sani Mousse is fortified with special emollients, pH balanced, and nonirritating - even after repeated use! Its fantastic fragrance makes it an absolute pleasure to use!
