Technical Data

SHIELD

HIGH GLOSS MULTI-SURFACE POLISH

DESCRIPTION

A special blend of silicones, detergents, and lemon oil. Shield cleans and polishes all woodwork, vinyl, plastic, Formica®, leather, stainless steel and file cabinets. It easily emulsifies and removes old wax buildup and polishes out to a bright hard shine. Shield is non-greasy and leaves an invisible protective finish on the surface. Use on furniture, restroom walls, toilet partitions, paneling, tables, counter tops, painted surfaces and any hard inanimate surface for pure protection.

**Do Not Spray On Floors.
Watch Overspray On Floors.**

USES / BENEFITS

- For use in:**
- Restaurants
 - Hospitals
 - Nursing Homes
 - Motels
 - Schools
 - Industry
 - Furniture Shops
 - Super Markets
 - Paper Mills
 - Banks
 - Apartments

DIRECTIONS FOR USE

Spray very lightly onto surface from 6 to 8 inches away. Wipe immediately with clean dry cloth. For vertical surfaces, spray directly onto cloth. Always polish surface for gloss and protection.

PRECAUTIONS

Keep out of reach of children.

SPECIFICATION

Color White
 Fragrance Lemon
 pH 7.5 - 8.5
 Specific gravity 1.0
