**Environmental Health & Sanitation Chemicals** 

# Technical Data

# SPARKLING GREEN

**ENVIRONMENTALLY SAFE CLEANER** 

### **DESCRIPTION**

Sparkling Green is unparalleled in the history of cleaning products. Its state of the art formula utilizes the finest, safest aqueous cleaning ingredients available -barnone. Even its fragrance comes from the natural essence of plant extracts. Make no mistake - this formula is truly unique and one of a kind. One spray, and subsequent wipe, will prove that out.

Sparkling Green outperforms hazardous cleaners, yet does it safely and gently, without the harmful side effects of ingredients typically used in industrial strength cleaners. Sparkling Green cleans tough soil, dirt, carbon, and greasy deposits - yet leaves no film or residue behind ... only clean.

#### **USES / BENEFITS**

- Natural Extracts
- Non-Corrosive
- Non-Filming
- Non-Toxic
- Biodegradable
- Environmentally friendly

# **SPECIFICATIONS**

Color	Cleaı
Specific Gravity	1.04
pH	9.5
•	

### **DIRECTIONS FOR USE**

Open container, remove foil seal, and insert trigger sprayer. Sparkling Green can be sprayed onto a cloth, or directly onto surface. Apply to surface intended to be treated, allow time to penetrate soil, and wipe clean. For maximum effect, and greater environmental stewardship, use Ever Green microfiber cloths. They can be washed and used over and over again reducing land fill waste caused by disposable products.

## **Ideal for:**

- School Cleaning
- Factory Machine Cleaning
- Hospital & Nursing Home Heavy Cleaning
- Fantastic Kitchen Cleaner
- Daycares
- Assisted Living Centers
- Office Cleaning

And so much more ... its uses are endless!

# **PRECAUTIONS**
