# **Fechnical Data SUN TABS** EcoLogo. **BIOENZYMATIC URINAL BLOCKS**

# DESCRIPTION

CCD-165 Urinal Puck

Just because it's a urinal - doesn't mean it has to smell like one! New North Woods<sup>™</sup> Sun Tabs bioenzymatic urinal blocks are formulated using a state of the art blend of bacterial cultures combined with select nonchemical cleaning agents. The resulting phenomenon is a unique blast of highly pleasant fragrance, potent biological cleaners, and waste consuming bacterial cultures capable of eradicating urinal odors at their source! Sun Tabs get rid of nasty odors - plus help clean urinal traps and drain lines at the same time! Sun Tabs use no harmful and drain clogging paradichlorobenzene. It's natural formula is completely safe and biodegradable.
